

anthology Payroll

Don't choose between compliance and efficiency

Keep your operations running smoothly and sustainably with a fully embedded, advanced payroll application — helping you manage one of the most crucial aspects of your campus.

Key Capabilities:

Payroll management across multiple positions, legal entities, and locations

End-to-end automation of cost posting, employee record updating, vendor payment, and project labor costs

Comprehensive U.S. local tax support, reporting, and submissions

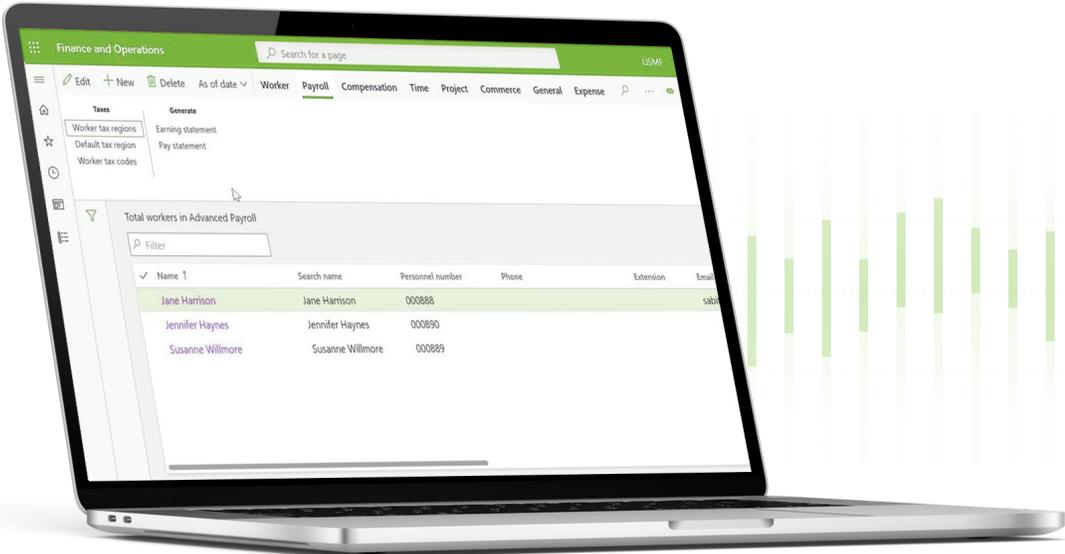

Enhanced employee self-service payroll tools

Regulation compliance in the U.S., Canada, and the United Kingdom

Native integration with Anthology Finance & Human Capital Management

Manage more than money

Experience a more-connected service for your campus's staff and faculty — with capabilities including tax support, reporting, and submissions, as well as self-service features to keep employees up-to-date.

Meet regulations and get legal support

Fulfill statutory compliance and enjoy high-level process control with Anthology Payroll. All the key functions your campus needs for this critical element of the organization.

Work seamlessly in your solution suite

Create a frictionless management of costs and labor while ensuring data integrity with information validation across systems. Anthology Payroll is built to natively integrate with Anthology Finance & HCM and Dynamics 365 F&O/CNF.

Anthology Payroll

“Payroll processing is a critical business area for schools and Anthology Payroll is designed to drive efficiency and business outcomes — while also delivering the intelligence necessary to make data-driven decisions. It is a highly robust solution that will provide our customers with the control and tools to effectively manage costs, gain insights into personnel expenditure, and drive compliance and efficiency.”

Lesley Phelps
